

WHAT'S FOR DINNER

AUNT BEE?

Food has always been part of the Sand Dollar M/C culture. The board came up with the idea for the dinner ride for summertime a couple of years ago. We tend to get baked a lot in the summer and it is nice to just get together in the evening time for a short sweat free ride with some fellow Sandies and have a bite to eat which is slowly becoming a Sandie tradition.

Dinner was at East River Smokehouse Bar-B-Que. This ride was just plain awesome, with no rain and the temperature being perfect for riding. We had 8 Sandies on 7 Rides show up and we were later joined by 3 other Sandies for a total of eleven for our July dinner ride event. We have only been to this restaurant twice and both times East River Smokehouse has delivered really good food. I had the Bar-B-Que Beef dinner plate with beans and potato salad and everything was

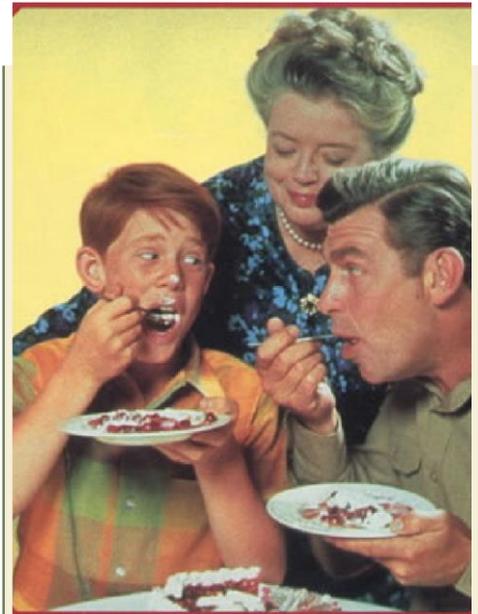

cooked to perfection. If you missed this one you missed out on good food and a great time. I hope you can make the next one.

Tiger Slide is a great addition to the July dinner ride. Bob went out for a smoke and came back to report that they had two kiddie jumping rooms and one blow up tiger slide outside. After dinner we all stretch our bellies and decided to check out the slide.

Everyone knows who normally gets into mischief but this time it wasn't the kids table.

It was none other than Sam and Pam who decided to climb and slide down giggling like little kids having way too much fun at a play ground.

"Oh, fibberdegibbit!" "Oh, you're full of beans"

- Beatrice Taylor 1960 (commonly known as Aunt Bee)

"Pingpong was invented on the dining tables of England in the 19th century, and it was called Wiff-waff! And there, I think, you have the difference between us and the rest of the world. Other nations, the French, looked at a dining table and saw an opportunity to have dinner; we looked at it and saw an opportunity to play Wiff-waff."
