SAND DOLLAR M/C

The Sand Dollar Motorcycle Club is one of the oldest and 'ridingest' motorcycle clubs in Florida. WE HAVE A LOT OF FUN and we promote safe and effective means of group riding and conduct that will enhance the image of the motorcycle rider and encourage others to participate in the sport. The club actively supports the interests of the American Motorcycle Association and promotes a common bond of friendship in club membership with the public and community activities in our area. We are looking forward to meeting riders of all experience levels that enjoy motorcycling at it's finest. If you enjoy this sport, then please take the time and say, Hello! Check our calendar on our website and come out to one of our socials and meet us.

Sand Dollar M/C Sandies

What does it mean to be a Sandie? It means you will be riding with a group of like-minded friends that care about you, friends that are concerned with the safety of the group at all times. It means you will be riding with a group of friends you can count on to take care of you and your bike if all goes wrong and Murphy's Law says it will at some point. Ask any member what it means to be a Sandie and, you will hear it means you will become family. Thirty-Four (34) years and we are still a very active motorcycle club; we must be doing something right. We gather every Tuesday (except the first of the month) for socializing. For more information about the Club and to see our ride schedule, visit us at our club website, Facebook Page, or on Twitter. Contact information located on the back of this brochure.

AMA CHARTERED CLUB:

The Sand Dollar M/C is the only AMA chartered recreational riding club in northwest Florida. We host poker runs throughout the year and all proceeds benefit local charities that provide services of the elderly and families in need in our community. We have great partnerships with businesses that support our motorcycle community and our poker runs.

All Sand Dollar Poker Runs are AMA sponsored

Member of the America Motorcycle Association for over 34 Years

RIDING EVERY WEEKEND:

We welcome riders of all experience levels and motorcycles of all makes and models as long as they can travel highway speeds, and can be operated safely. If it is a great motorcycle road in our area, chances are good that we have traveled on it. We ride all year round and, since 2000 we have ridden over 1 Million miles as a club. Be Safe, Ride Hard, Be Happy.

We average 130-150 miles on a ride.

We love to ride and ride a lot Spring, Summer, Fall and Winter.

MOTORCYCLE SKILLS:

Motorcycle safety has always been top priority. We have riders with several levels of experience from the beginner to the well seasoned rider, including several MSF rider coaches. We have members who are willing to help any and all bikers that are interested in riding. Once a month we practice life saving skills that sharpen our safety awareness and have a lot of fun in a non pressure environment.

Motorcycle riding may not be perishable but motorcycle Skills are.

Keep practicing your skills and, they may one day save your life or the life of others.
